

Wuzzuf scrapping and analysis

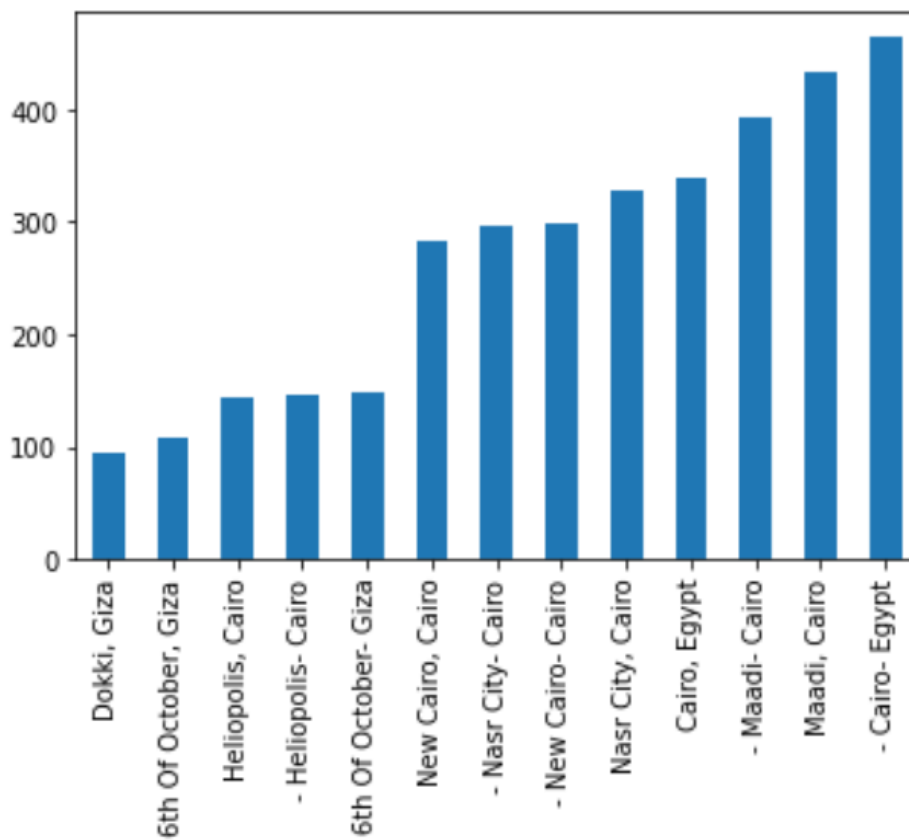

Name:

بديع نادر نعيم المصرى

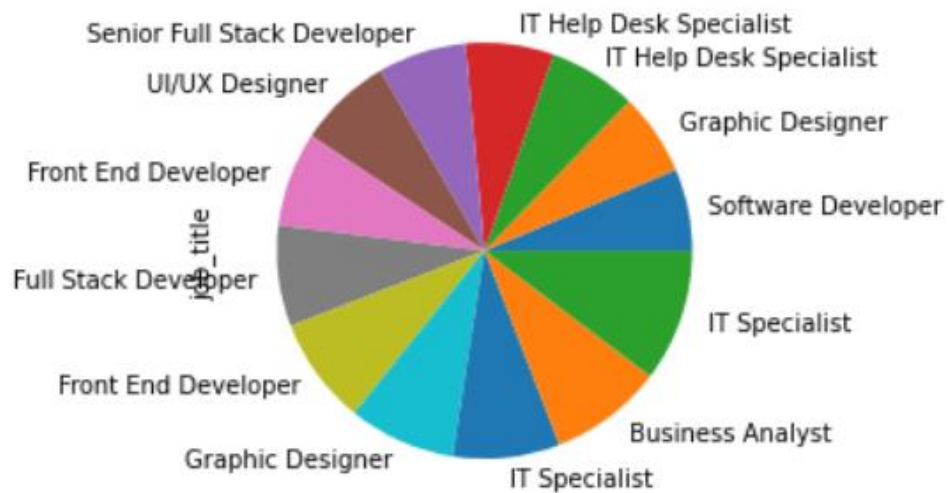

Email:

badienader42@gmail.com

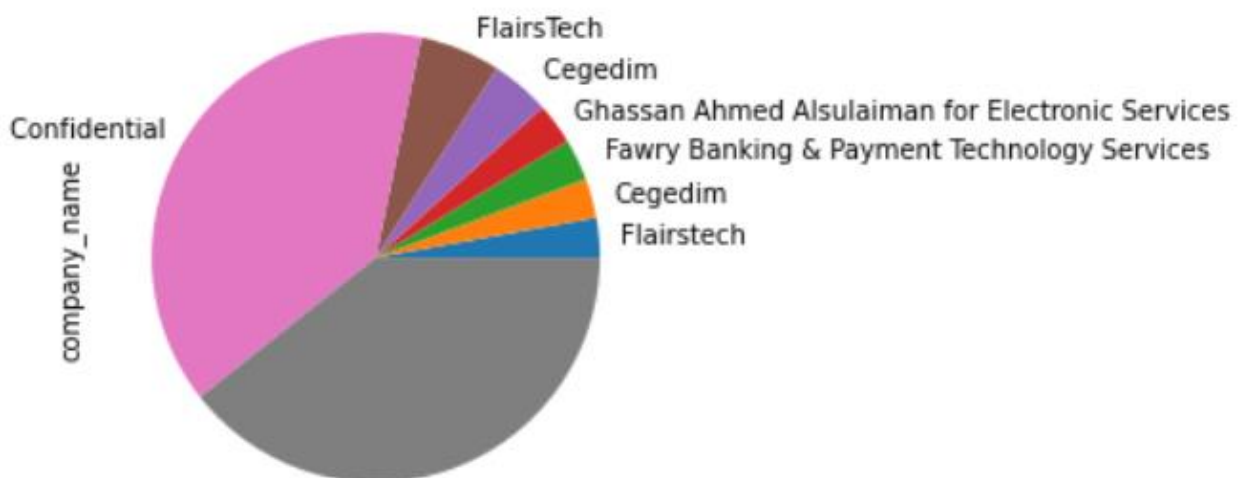

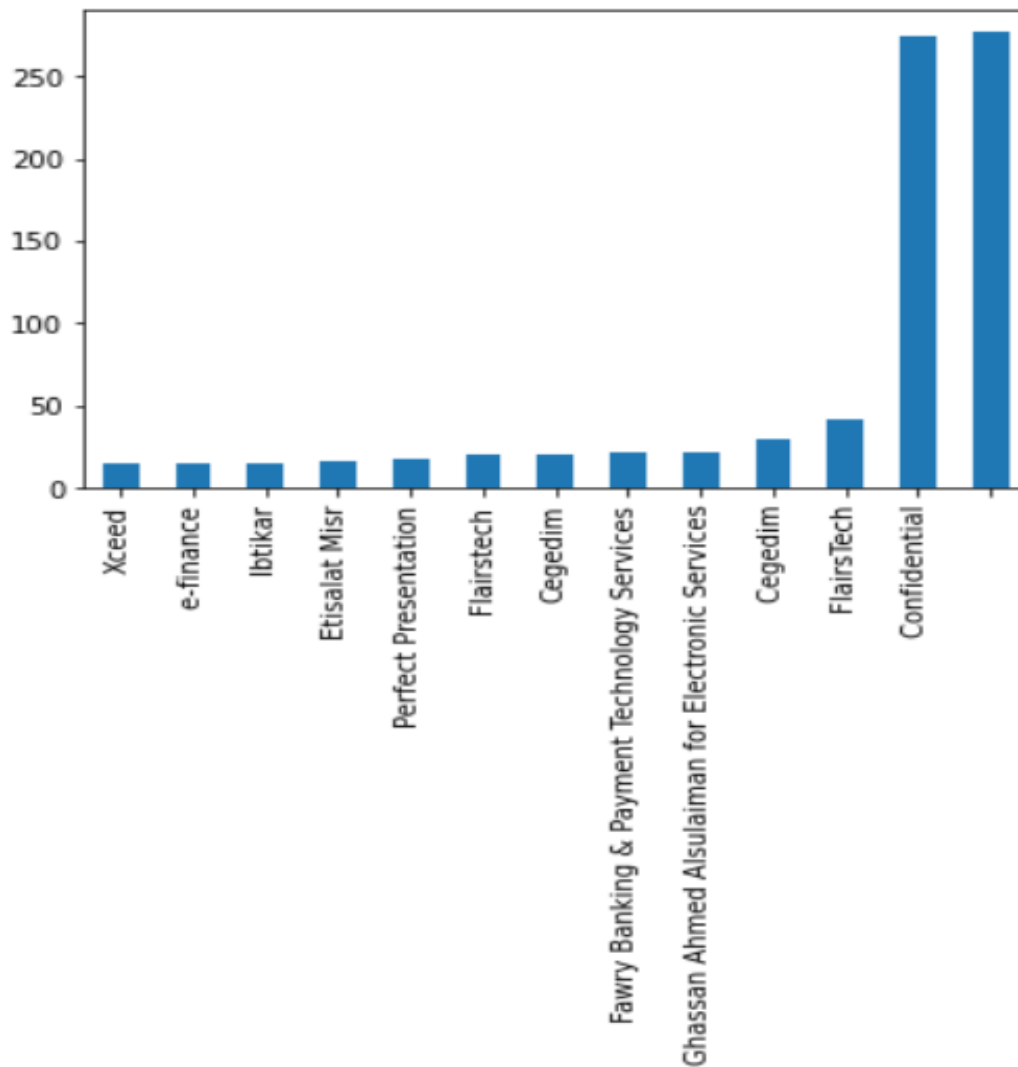

The insights resulted from our analysis:

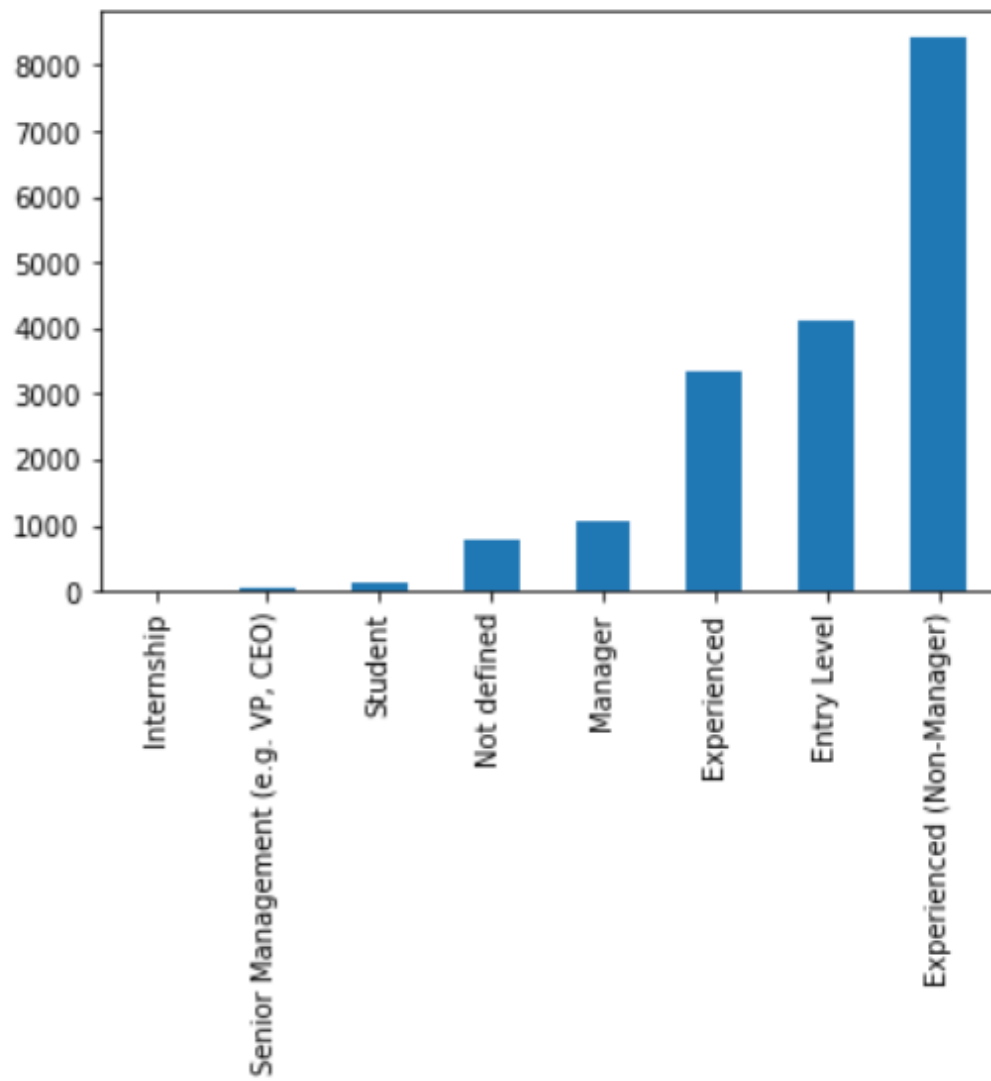

- Seems like Cairo has the greatest number of offers especially Maadi

- Seems like there is a variety in the Jobs offered in the it section on wuzzuf

- Seems like Most of the companies don't write their names in the job offer on wuzzuf.

- Seems like most Required levels are Experienced while least in the market are internships.
